Professional Summary

Motivated and detail-oriented Full Stack Web Developer with a Bachelor's degree in Computer Science and hands-on experience in building responsive, user-friendly web applications. Skilled in **frontend** and **backend development** using **HTML, CSS, Bootstrap**, **JavaScript**, **PHP**, **MySQL**, and **Laravel**, with practical exposure through academic and personal projects including e-commerce platforms, CRUD systems, and management websites. Experienced in developing dynamic web solutions, implementing authentication systems, and working with databases to deliver functional and visually appealing applications. Familiar with **Shopify development** and **digital marketing tools**, with a strong foundation in problem-solving, clean code practices, and continuous learning. Eager to contribute technical skills, creativity, and passion for web development to a growth-oriented organization.

Technical Skills & Competencies

I have hands-on experience in full-stack web development with a strong foundation in **HTML5, CSS3, Bootstrap, JavaScript, PHP, MySQL, and Laravel**. I am skilled in developing responsive and dynamic web applications using **MVC architecture**, implementing **CRUD operations, authentication systems**, and **database-driven** functionalities. Through academic and personal projects, I have worked on e-commerce platforms, shopping cart systems, hotel management websites, and **PHP/Laravel-based applications**, focusing on clean code, usability, and performance. I am familiar with **Shopify development** and basic digital marketing tools, including **Facebook Ads and Ads Manager.** Additionally, I have experience using Git for version control and applying object-oriented programming concepts.

Professional Experience

Full Stack Web Developer (Intern) — UET Lahore | July 2024 - Sep 2024

- Contributed to the development of web-based applications using HTML, CSS, Bootstrap, JavaScript, PHP,and MySQL.
- Assisted in backend development, database handling, and implementation of CRUD operations.
